The coverage shall consist of coverage for injury or sickness including the necessary care and treatment of medically diagnosed congenital defects and birth abnormalities and is not subject to any preexisting condition exclusion.

5. SPECIAL ENROLLMENT PERIOD

A. For Persons Who Previously Declined Coverage

A person who previously declined coverage in writing because they were covered under another group health plan or health insurance coverage may have a 30 day special enrollment period if they lose that coverage.

The 30 day special enrollment period will begin for that person on:

1. the day the person loses his/her coverage under another group health plan or health insurance coverage because of:
 - a. a reduction in the number of hours of employment;
 - b. termination of employment;
 - c. termination of employer contributions;
 - d. the COBRA continuation provision that they were covered under is exhausted under the other group health plan or health insurance coverage; or

Coverage will become effective on the premium due date following the date the person applies.

In the case of a family status change due to marriage, coverage will begin on the earlier of the next premium due date or the first day of the month, after the completed application is received.

In the case of a family status change due to the birth of a dependent child, coverage will begin on the child's date of birth, if application is made during the special enrollment period.

In the case of a family status change due to adoption or placement for adoption, coverage will begin on the date of the adoption or placement for adoption, if application is made during the special enrollment period.

6. DEFERRED EFFECTIVE DATES

An employee must be at work on the date insurance begins. If the employee is not at work and it is for a reason that is not health status related, insurance does not begin until he/she returns to work. If insurance is to be effective on a non-work day, the employee must have worked the previous scheduled work day unless the absence was approved or it was health status related.

7. BENEFIT CHANGES

An insured employee must be at work on the date a benefit change occurs. If the employee is not at work and it is for a reason that is not health status related, the benefit change will not occur until he/she returns to work. If the benefit change is to occur on a non-work day, the employee must have worked the previous scheduled work day unless the absence was approved or it was health status related.

TERMINATION OF INSURANCE OF INSURED

1. The insurance of an insured employee will end on the earliest of the following dates:
 - a. the date that any portion of the premium that is due is not paid;
 - b. the premium due date following the date he/she is no longer an employee;
 - c. the date that this entire policy terminates.
2. The insurance of an insured dependent will end on the earliest of the following dates:
 - a. the date the insured employee's insurance terminates. If the insured employee's insurance terminates because he/she dies, dependent health coverage will remain in effect until the premium due date following 90 days after the insured employee's death;

- b. the premium due date following the date he/she no longer meets the definition of a dependent as defined in this policy. An insured dependent child who is losing coverage because he/she is turning 19 years of age, and who because of a handicapped condition is incapable of self-support, may be continued under this insurance while remaining incapacitated, unmarried, and dependent on his or her parents or other care providers for lifetime care and supervision. We may request proof of incapacity from time to time, but not before 2 months prior to the date his/her insurance would otherwise end. If proof of incapacity is not received within 31 days after it is requested, the child will not be considered an insured dependent. If we do not request proof of incapacity, coverage for this child shall extend through the term of the policy, or any extension or renewal of the policy.
- c. the date that any portion of the premium that is due is not paid.

CLAIMS

NOTICE OF CLAIMS

We must receive written notice of claims. It must be given within 20 days after the date the loss began or as soon as reasonably possible. It may be given at our Home Office or to one of our agents. It must contain enough information to identify you.

CLAIM FORMS

We will provide claim forms within 15 days after we receive notice of claim. If we do not provide the forms, a claim may be filed without using them. Such claims must contain written proof of loss. It must cover the occurrence, type, and extent of loss.

PROOF OF LOSS

Written proof of loss must be sent to our Home Office within 90 days after the loss or as soon as reasonably possible. PHYSICAL EXAMINATION AND AUTOPSY

We, at our expense, have the right to examine the insured when and as often as we may reasonably require while a claim is pending or during any period in which we are paying benefits. In the case of death, we have the right to have an autopsy performed.

LEGAL ACTIONS

No suit at law or in equity may be brought to recover on this policy:

1. any earlier than 60 days after written proof of loss has been sent to us as required by the terms of the policy; or
2. any later than three years after the time such proof must be sent.

PAYMENT OF CLAIMS

We will either accept or deny a clean claim within 30 days after we receive it. If the clean claim is not paid within 30 days, we will pay interest at the rate of 10% per annum on any benefit due beginning on the 31st day after we receive all information necessary to establish a clean claim.

All accident and health benefits are payable to the insured employee. However, we reserve the right to pay benefits directly to the hospital or other provider of medical services. These payments will satisfy our responsibility to the extent of the payments.

If any benefit remains payable after the death of the insured or while he/she is not competent to give a valid release, we may pay a benefit up to \$1,000.00 to any relative of

his/hers who we decide is justly entitled to it. Any payment made to his/her relatives in good faith will fully release us of our responsibility to the extent of the payment.

MAJOR MEDICAL BENEFIT PROVISIONS

AMOUNT OF BENEFIT

We will pay the amount of benefit shown on the Schedule of Benefits for covered expense. Our payments will not exceed the maximum benefit shown on the Schedule of Benefits. Our payments are subject to this policy's definitions, provisions, limitations, and exclusions.

BENEFIT FOR COVERED EXPENSE PROVIDED BY A PREFERRED PROVIDER

Before we can pay any benefit for services provided by a Preferred Provider, covered expense equal to the In-Network deductible must be incurred in a calendar year. We will then pay benefits for covered expense provided by a preferred provider that are in excess of the In-Network deductible for the remainder of that calendar year. These benefits will be paid at the In-Network coinsurance percentage shown on the Schedule of Benefits (or at the coinsurance percentages listed in the section titled "Limitations to Health Benefits Provided by this Policy"). If the amount of covered expense you pay for In-Network coinsurance share during a calendar year equals the In-Network Maximum Coinsurance Share, we will then pay the covered expense for these services at 100% for the remainder of the calendar year.

Covered expense provided by a preferred provider and paid at 50% under the section titled "Limitations to Health Benefits Provided by this Policy" will not be applied to any In-Network Maximum Coinsurance Share.

BENEFIT FOR COVERED EXPENSE FOR EMERGENCY SERVICES PROVIDED IN A HOSPITAL EMERGENCY ROOM

When you incur covered expense for emergency services provided in a hospital emergency room, you must pay a \$75 emergency room access fee. This amount must be paid anytime you receive emergency services in a hospital emergency room, and are not directly admitted to the hospital as an inpatient. This amount is in addition to any deductibles and coinsurance share amounts.

After you pay the first \$75 of covered expense, we will pay other covered expense as outlined above in the section titled "Benefit for Covered Expense Provided by a Preferred Provider."

If you are directly admitted to the hospital as an inpatient following an emergency room visit, you will not be required to pay the \$75 emergency room access fee.

BENEFIT FOR COVERED EXPENSE PROVIDED BY A NON-PREFERRED PROVIDER

Before we can pay any benefit for services provided by a non-preferred provider, covered expense equal to the Out of Network deductible must be incurred in a calendar year. We will then pay benefits for covered expense provided by a non-preferred provider that are in excess of the Out of Network deductible for the remainder of that calendar year. These benefits will be paid at the Out of Network coinsurance percentage shown on the Schedule of Benefits (or at the coinsurance percentages listed in the section titled "Limitations to Health Benefits Provided by this Policy"). If the amount of covered expense you pay for Out of Network Coinsurance Share during a calendar year equals the Out of Network Maximum Coinsurance Share, we will then pay covered expense for these services at 100% for the remainder of the calendar year.

Covered expense provided by a non-preferred provider and paid at 50% under the section titled "Limitations to Health Benefits Provided by this Policy" will not be applied to any Maximum Coinsurance Share.

USE OF NON-PREFERRED PROVIDERS

When you use a non-preferred provider:

1. the amount of payment is based upon a reduced allowable amount, and not the actual billed charge; and
2. you may be expected to pay a larger portion of the bill, even after we have paid the percentage of eligible expense provided under the policy.

BENEFIT FOR EMERGENCY CARE PROVIDED BY A NON-PREFERRED PROVIDER

This prescription drug card benefit is administered by the prescription drug card company, hereafter referred to as the RX Company.

You may purchase a prescription drug order at a retail pharmacy, as long as the order does not exceed the lesser of a 34 day supply or 100 unit doses. You must first pay the prescription deductible amount. Once you have paid the prescription deductible amount, you must then pay the applicable prescription copay amount. We will then pay 100% of the amount in excess of the prescription deductible and the prescription copay amount for the prescription drug order. The prescription deductible and prescription copay amounts are shown on the Schedule of Benefits. The "generic prescription copay amount" must be paid anytime you purchase a generic medication. He/she can also file a paper claim with the RX Company for drugs purchased at a nonparticipating pharmacy. PRE-CERTIFICATION PROGRAM

To qualify for full benefits under the policy, you must call the Pre-certification Hotline if:

1. you are going to be admitted as an inpatient to a hospital or skilled nursing facility; or
2. you are going to have surgery performed outside of your primary care physician's office.

You can make the phone call, or you can have a relative or your physician make the phone call. However, you are responsible for making sure that someone calls the Pre-certification Hotline.

NON-EMERGENCY HOSPITALIZATIONS OR SURGERIES

The Pre-certification Hotline must be called at least 72 hours before an insured is scheduled for non-emergency surgery outside of the primary care physician's office or admitted to a hospital or skilled nursing facility for an inpatient stay.

MEDICAL EMERGENCY

The Pre-certification Hotline must be called within 2 business days (or as soon as reasonably possible if the insured's condition prevents them from calling within that time frame) following emergency surgery or emergency admission to a hospital or skilled nursing facility.

PREGNANCY

The Pre-certification Hotline must be called anytime there is a hospital admission for a complication of pregnancy that is not a cesarean section. The Hotline must also be called if a hospital stay exceeds:

1. 48 hours following a vaginal delivery (not including the day of delivery); or
2. 96 hours following a cesarean birth (not including the day of delivery).

If discharge from the hospital occurs earlier, a post-discharge visit will be provided to the mother and newborn by providers competent in postpartum care and newborn assessment if determined medically appropriate by the attending physician.

INFORMATION NEEDED

When a person calls the Hotline, he/she should have the following information available:

1. the insured patient's name, date of birth, sex, and the social security number of the insured;
2. the policy number;
3. the proposed (or actual) date and reason for admission or surgery;
4. the name and phone number of the hospital (or skilled nursing facility) and admitting physician;
5. any information regarding any other insurance plans.

PRE-CERTIFICATION PROCESS

When a call is made to the Pre-certification Hotline, the caller will be given a pre-certification number along with the reviewer's recommendations. The reviewer will assign a length of stay to the admission.

If your stay exceeds the recommended length of stay, the hospital (skilled nursing facility) or your physician should contact the reviewer, who will again review your case.

MEDICAL NECESSITY

No benefits will be payable for any confinement or surgery that is not approved by the reviewer as being medically necessary. The fact that a physician or another health care provider has prescribed or ordered an admission, surgery, or continued stay, does not necessarily mean the stay is medically necessary. Benefits are only payable if the pre-certification reviewer determines the admission, or continued stay, is medically necessary.

RIGHT TO APPEAL

The physician or insured may, at any time, initiate a request for reevaluation or extension of a reviewer's decision, by calling the Precertification Hotline.

FAILURE TO PRECERTIFY

If an insured fails to have his/her admission or surgery pre-certified, then the first \$500 of covered expense incurred as a result of the admission or surgery will not be covered under this policy, in addition to any medically unnecessary expense. However, this provision will not apply to an expectant mother's admission for pregnancy.

DISCONTINUANCE & REPLACEMENT PROVISION

The provisions listed on this page only apply to persons insured under the former policy on the day before this policy became effective, and who have been continuously insured under this policy since this policy's effective date.

DEDUCTIBLE CREDIT PROVISION

An insured's deductible for the first calendar year this policy is in force can be reduced by any expense that:

1. was applied to his/her deductible under the former policy for this calendar year; or
2. was incurred during the 90 day period prior to the date this policy became effective, and was applied to the deductible under the former policy.

RECEIVING CREDIT

To receive credit under this provision, each insured must provide us with proof of the amount of credit earned under the former policy. This proof must be acceptable to us. It must be submitted at the same time he/she files his/her first claim under this policy.

COORDINATION OF BENEFITS

If an insured has medical or dental coverage under another group-type plan, we will coordinate our benefits with those of that plan. One plan is primary. One plan is secondary. The primary plan pays its regular benefits. The secondary plan pays a reduced amount, which when added to the benefits paid by the primary plan, will normally equal 100% of the allowable expense. The benefits payable under the secondary plan cannot exceed the benefit that would be payable if there was no other group-type plan.

RULES FOR ORDER OF PAYMENT

The primary plan is:

1. the plan which does not coordinate its benefits with any other plan.
2. the plan which covers the person as an employee or student, rather than as a dependent. (However, if a person is also a Medicare beneficiary, Medicare is secondary to the plan covering the person as a dependent, and primary to the plan covering the person as other than a dependent, for example a retired employee.)
3. the plan of the parent whose birthday (excluding year of birth) occurs earlier in a calendar year, if both parents are living together. If both parents have the same birthday, the plan that has covered a parent the longest is primary. If the other plan does not have this provision in their policy, then the plan which insures the father as an employee will be primary, rather than the plan which insures the mother as an employee.
4. the plan of the parent with custody of the child, if the parents are divorced or separated. The secondary plan will be the plan of the spouse of the parent with custody. The final plan will be the plan of the parent without custody.

5. If the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, then the plan of the parent who has responsibility will be primary over the other parent or stepparent's plan. This provision does not apply until we have been informed of the terms of the court decree. Any benefits paid prior to our knowledge of the terms of the court decree will be subject to the other sections of this provision.
6. If the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, then the plan of the parent whose birth day occurs earlier in the calendar year is primary.
7. the plan which covers a person as an active employee, rather than the plan which covers the person as a laid-off or retired employee. The primary plan is the plan which covers the person as a dependent of an active employee, rather than the plan which covers the person as a dependent of a laid-off or retired employee.
8. the plan which insures the person as an employee, or the dependent of an employee, rather than the plan which insures the person under any continuation coverage. If the other plan does not have a rule regarding continuation coverage, and as a result, the plans do not agree on which plan is primary, then this rule will be ignored.
9. If none of the above rules apply, then the plan which has covered the insured person the longest is the primary plan. The length of time a person has been covered under a plan is measured from the claimant's first date of continuous coverage with the Policyholder.

BENEFIT CREDIT AS SECONDARY PLAN

If the amount we pay as the secondary plan is less than the amount that we would have paid as the primary plan, a benefit credit will exist. We, as the secondary plan, can use this benefit credit to pay other allowable expenses incurred by the same insured during the same calendar year as the benefit credit occurred.

RIGHT TO RECEIVE AND RELEASE INFORMATION

We have the right to seek and to release any necessary information to any other insurance company or organization, for the purpose of implementing this provision. We can do this without consent or notice to any concerned person. Any person claiming benefits under this policy must provide us with any necessary information to implement this provision.

REIMBURSING THE OTHER PLAN

If another plan has paid their benefit in error according to this provision, we can make payment directly to them to satisfy the intent of this provision. Any payment made by us for this reason will fully discharge us of any liability under this plan.

RIGHT TO RECOVERY

If we made a payment in error, we can recover our payment from the other plan, the insured, or anyone else to whom we have made payment, so as to satisfy the intent of this provision.

RIGHT OF REIMBURSEMENT

If an insured incurs expenses for illness or injury that occurred due to the negligence of a third party:

1. we have the right to reimbursement for all benefits we paid from any and all damages collected from the third party for those same expenses whether by action at law, settlement, or compromise, by the insured, the insured's parents if the insured is a minor, or the insured's legal representative, as a result of that illness or injury; and
2. we are assigned the right to recover from the third party, or his or her insurer, to the extent of the benefits we paid for that illness or injury.

We shall have the right to first reimbursement out of all funds the insured, the insured's parents if the insured is a minor, or the insured's legal representative, is or was able to obtain for the same expenses we have paid as a result of the illness or injury.

You are required to furnish any information or assistance or provide any documents that we may reasonably require in order to obtain our rights under this provision. This provision applies whether or not the third party admits liability.

CONTINUATION OF HEALTH INSURANCE COVERAGE AFTER TERMINATION OF EMPLOYMENT, DEATH, OR DISSOLUTION OR ANNULMENT OF MARRIAGE

The insurance of insured employee and dependent ends when an insured employee terminates his/her employment. An insured whose insurance ends for this reason may elect to continue the health insurance coverage that was in force for himself/herself, and any insured dependents, if:

- he/she has been insured under this group policy, or the former policy for three consecutive months before his/her insurance would end; and
- he/she is not covered by Medicare; and
- he/she is not eligible to be covered, or covered, under any group health policy that becomes effective after his/her termination of employment date.

The policyholder must provide written notice of the continuation right no later than 10 days after termination.

The insured must request continuation of this insurance in writing within 10 days after the later of:

- the date insurance would end due to termination of employment; or
- the date the insured is given written notice of the right to continuation by the Policyholder;

but in no event later than 31 days after insurance would otherwise end. The insured employee must pay the entire premium due to the Policyholder in advance every month.

An insured dependent may also continue coverage if they are losing health insurance due to dissolution or annulment of marriage or death of the employee. The person eligible for continuation, who shall be the spouse or the custodial parent or legal guardian on behalf of a dependent child, must notify the policyholder of the occurrence of the event within 30 days after the event occurs. Within ten days receipt of that notice, the policyholder must provide the person eligible for continuation with notice of continuation right. The person must request continuation in writing 10 days after receipt of the notice of the continuation right.

All health insurance benefits provided under this provision are subject to this policy's provisions, exclusions, and limitations.

The insurance provided under this provision will end on the earliest of the following dates:

1. the date the insured becomes eligible for Medicare;
2. the date the insured becomes covered under group health insurance that has an effective date after his/her termination of employment date;
3. the date nine months from the date his/her insurance would have ended due to termination of employment;
4. the date he/she fails to pay any premium due; or
5. if the continuing insured is a former spouse, the date the former spouse remarries; or
6. the date this entire group policy terminates.

FEDERAL CONTINUATION OF HEALTH COVERAGE AFTER TERMINATION

If this continuation provision is included in this policy, it will be indicated on the Schedule of Benefits.

Under certain circumstances, an insured has the right to continue his/her health insurance beyond the date that it would normally end. The health insurance coverage that can be continued is the same coverage that is provided to insureds whose coverage has not ended. However, any weekly income benefits for total disability cannot be continued.

CONTINUATION RIGHTS

1. An insured's health insurance can be continued for a maximum period of 18 months, if it is ending because:
 - a. the insured employee's employment terminated for reasons other than gross misconduct; or
 - b. the insured employee had his hours reduced.

If an insured does not wish to continue coverage for himself/herself, his/her insured spouse and/or insured children may elect to continue the coverage on their own for a maximum of 18 months.

2. An insured's health insurance may be extended beyond the 18 month continuation period, to a maximum period of 29 months, for himself/herself and/or his/her insured dependents, if:
 - a. his/her insurance is ending because of one of the reasons listed above; and
 - b. he/she qualifies as disabled for Social Security purposes at the time his/her employment ends or at any time during the first 60 days of COBRA continuation; and
 - c. he/she notifies the Policyholder of a determination of total disability by the Social Security Administration within 60 days of the determination, but before the end of the first 18 months of continuation.

However, an insured's extended continuation will end the premium due date that is at least 30 days after a final determination under the Social Security Act that he/she is no longer disabled. Premiums during the additional 11 months of coverage will be at a substantially higher rate than for the initial 18 month period.

3. An insured dependent's health insurance can be continued for a maximum period of 36 months, if his/her insurance is ending because:
 - a. the insured employee dies;
 - b. a divorce or legal separation has occurred;
 - c. the insured dependent child no longer meets this policy's definition of a dependent child;
 - d. the insured employee became covered by Medicare.
4. An insured dependent's health coverage can be continued for at least 36 months from the date the insured employee became covered by Medicare, if his/ her insurance ends for any of the above-listed reasons.
5. An insured can continue his/her insurance for 36 months, if:
 - a. he/she has lost coverage or had his/her coverage substantially reduced within one year before or after the date his/her employer began proceedings in a Ch. 11 bankruptcy proceeding; and
 - b. he/she retired after the Ch. 11 bankruptcy proceeding; or
 - c. he/she is an insured dependent of a retiree who died after a Ch. 11 bankruptcy proceeding.
6. An insured can continue his/her insurance for his/her lifetime, if:
 - a. he/she has lost coverage or had his/her insurance substantially reduced within one year before or after his/her employer began proceedings in a Ch. 11 bankruptcy case; and
 - b. he/she is a retiree who retired before the Ch. 11 bankruptcy proceeding; or
 - c. he/she is a widow or widower of a retiree who died before the bankruptcy proceeding.

NOTIFICATION RESPONSIBILITIES OF THE POLICYHOLDER

The Policyholder must notify an insured of his/her right to continue within 14 days after the Policyholder becomes aware that one of the events listed above has occurred. The notification must be in writing.

RESPONSIBILITIES OF AN INSURED

1. An insured must notify the Policyholder if any of the following events occur:
 - a. a divorce or legal separation;
 - b. an insured child no longer meets the policy's definition of an insured dependent child.

This notice must be given to the Policyholder within 60 days of the occurrence of one of these events.

2. An insured must notify the Policyholder if he/she wants to continue coverage. He/she must give notice within 60 days after the date a COBRA qualifying event occurs, or within 60 days after the Policyholder provides him/her with notification of this right to continue, whichever is the longer period of time. The notice the insured must provide must be in writing, by using the COBRA Continuation of Coverage Election form that the Policyholder provides him/her.

3. If an insured decides to continue this coverage, the first premium payment is due 45 days following the date he/she returns the election form. Coverage is provided only when the full premium for the applicable period is received. The insured must pay any premiums after that within 30 days of the date the premium is due. Premium payments must be made to the Policyholder. Coverage is not in force for any period for which premium is not paid.

INSURED'S WHO CANNOT CONTINUE

An insured cannot continue this coverage if at the time of his/her termination, he/she is a nonresident alien with no earned income from sources within the United States, or the dependent of such person.

TERMINATION

Continued coverage will end on the earliest of the following dates:

1. the date the maximum continuation period has been exhausted;
2. the date the employer ceases to maintain any group health plan for any employee;
3. the date the insured is covered by another group health plan which does not include a preexisting condition clause or which would have the preexisting condition limitation period reduced by qualifying COBRA continuation coverage;
4. the date the insured becomes covered by Medicare;
5. the date any premium that is due is not paid within the time allowed.

FAMILY AND MEDICAL LEAVE ACT (FLMA) CONTINUATION PROVISION

An employee receiving a leave of absence qualifying under the FMLA will continue to receive health insurance as if he/she was not on leave.

All other benefits, such as any life insurance, accidental death and dismemberment, disability and dental insurance will terminate in accordance with the other policy continuation and termination provisions.

TERMINATION OF HEALTH INSURANCE

Health insurance benefits will end on the earliest of the following dates:

1. the date that any portion of the health premium that is due is not paid;
2. the premium due date following the date the employee no longer qualifies under this or another policy continuation provision;
3. the date this policy terminates;
4. the premium due date following the date the employee gives notice of an intent not to return to work.

If coverage is terminated for any reason other than nonpayment of premium or the termination of the entire policy, then the employee may be able to continue his/her health insurance for an additional period of time. Please see the section titled "Federal Continuation of Health Insurance Coverage After Termination" to determine if any additional continuation is available.

REINSTATEMENT OF BENEFITS

An employee returning from FMLA leave of absence can reinstate any life, accidental death and dismemberment, disability, health, and dental benefits by applying within 31 days from the date he/she returned from the leave of absence. The benefits will be reinstated on the date the employee returned from the leave. No waiting periods or benefit limitations for preexisting conditions will apply.

Employees applying more than 31 days from the date of return from the leave will be considered late enrollees.
