

EQUIPMENT BREAKDOWN *Coverage*

CHECK YOUR TO-DO LIST

What's *not* on your to-do list? Sweating, freezing, and being left in the dark.

That's what could happen when your air conditioner, furnace, or other systems quit. How do you fix the problem without paying a huge bill?

The answer: Equipment Breakdown Coverage from Pekin Insurance!

For only \$20 per year, Homeowners Equipment Breakdown Coverage provides up to \$50,000 for the sudden and accidental mechanical or electrical breakdown of permanently attached equipment.

Equipment Breakdown Coverage doesn't cover normal wear and tear, corrosion, erosion, rust, deterioration, or depletion.

HIGHLIGHTS

When you add equipment breakdown coverage, you get coverage for:

- Central air conditioning
- Boilers and water heaters
- Furnaces, heat pumps, and sump pumps
- Permanently installed back-up generators
- Chair lifts and elevators
- Electric power panels
- Pool equipment
- Central vacuums
- Garage door openers
- Home security systems
