

# BUSINESSOWNERS POLICY FOR Engine Repair Shops

Built for wrenches, grease, and peace of mind

## Mechanics Errors & Omissions

Because even the most professional and experienced mechanics can make mistakes

## Garagekeepers Actual Loss Sustained

To protect your client's vehicle while it's in your possession

## Employee Tools Coverage

So you can help take care of your employees who take care of your customers

## Key Person Insurance

Protecting your most valuable asset: your people. While **NOT** part of your Businessowner's Policy, it's worth considering the role of key person life insurance

## Coverage IN ACTION: ENGINE REPAIR SHOPS

An engine repair shop had just finished repairing a customer's vehicle. A technician took the car for a short test drive to ensure everything was functioning properly. During the drive, the technician rear-ended another vehicle at a stoplight due to brake failure. Garagekeepers Collision Coverage ALS can cover the damage to the customer's vehicle for the actual loss sustained, not restricted by a limit!
