

BUSINESSOWNERS POLICY FOR Body Repair Shops

You make them look **brand new**, and we **protect you!**

Mechanics Errors & Omissions

Because even the most professional and experienced mechanics can make mistakes

Garagekeepers Actual Loss Sustained

To protect your client's vehicle while it's in your possession

Employee Tools Coverage

So you can help take care of your employees who take care of your customers

Key Person Insurance

*Protecting your most valuable asset: your people. While **NOT** part of your Businessowner's Policy, it's worth considering the role of key person life insurance*

Coverage IN ACTION: BODY REPAIR SHOPS

A fire started while a shop was working on a customer's vehicle, spreading to and damaging several others on the premises. Multiple vehicles were severely impacted. Garagekeepers Comprehensive Coverage ALS can cover the damage to the customer's vehicles for the actual loss sustained, not restricted by a limit!
