

PEKIN INSURANCE

HELP PROTECT MORE THAN YOUR VEHICLES

Your Fleet Keeps Your Business Moving

Pekin Insurance's Fleet Management Program helps eligible commercial auto customers in Ohio take a proactive approach to safety, reduce risk, and gain valuable insights into their fleet operations.

Key Benefits

- Encourage safer driving habits
- Increase fleet visibility
- Reduce accidents and downtime
- Earn a 5% Commercial Auto Premium Discount

How the Program Works

1. Enroll your vehicles in the Fleet Management Program powered by Azuga®.
2. Install and activate the technology to begin capturing fleet data.
3. Use fleet insights to improve safety and help reduce risk.

Why Fleet Management Matters

At Pekin Insurance, we believe insurance should do more than help businesses recover after an accident. Every mile driven creates opportunity, but it also creates risk. Fleet management technology helps businesses better understand driver behavior and address concerns before they result in a loss.

Contact your local Pekin Insurance agent to learn how our Fleet Management Program can help your business improve driver safety, reduce risk, and keep operations moving forward.
