## If your family doesn't know what to get you for **YOUR BIRTHDAY**, how do you expect them to know what you want for **YOUR FUNERAL**?

That's why you should take the time to preplan your funeral. You can meet in a calm, peaceful environment with our funeral directors and select and arrange all of the things that are important to you. The loved ones you leave behind won't have to guess about what you would want; their emotions won't get in the way and cause them to overspend.

At the same time, you can choose to set aside funds now to pre-pay for your selections. We offer choices in pre-funding, so that you can leave your loved ones with your legacy to cherish, instead of another expense to cover.

Come in and have this conversation together with us now, so your family doesn't have to when they are grieving your loss. Take the time now. Your family shouldn't have to guess about plans this important. Call us or return the response card below. We'll contact you to answer your questions about pre-planning your "Life's Celebration" and about your pre-funding options.

**We will be happy to meet with you at your home or at the funeral home to start planning. Email, call, or send us this reply card to make an appointment.**
